

YOUNG CHANGEMAKERS FOR SUSTAINABLE WASH SOLUTIONS

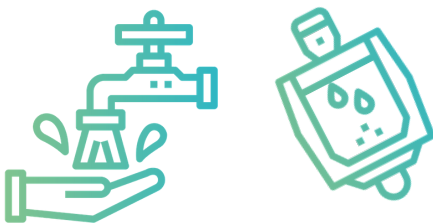

@SINGAPORE INTERNATIONAL WATER WEEK

Do you have an innovative idea related to Water, Sanitation and Hygiene that can change the world?

Are you passionate about reducing climate impacts through sustainable WASH solutions?

Are you between the ages of 21-30 years old?

If this sounds like you, then **APPLY** to be a **UNICEF WASH Young Changemaker**, and join us for an exciting week of learning and networking at the Young Water Leaders Summit in Singapore in July!

What is UNICEF WASH Young Changemakers?

UNICEF believes in the power of young people to change the world. We are looking for **Young Changemakers with innovative Water, Sanitation and Hygiene solutions** that will make a difference **for children and their families** across Asia Pacific.

What kind of solutions are we looking for?

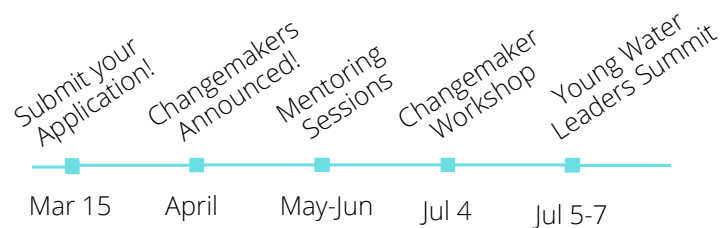

We are looking for solutions that:

- will have a positive impact on families, especially the most vulnerable.
- can help everyone access safe, affordable and sustainable WASH services.
- have the potential to reach scale.
- can tackle the region's most daunting WASH challenges affecting families and children.

Our top 10 Young Changemakers will receive:

- Fully-funded trip to Singapore to attend the Singapore Young Water Leaders Summit;
- 2 online mentoring sessions to help strengthen your idea and develop a pitch;
- Opportunity to present your idea to UNICEF, private sector and government leaders at a special one-day workshop before the Summit;
- Access to workshops, networking opportunities, and discussions on water-industry, innovations and challenges at the Young Water Leaders Summit;
- Possibilities for further engagement with UNICEF to support and scale up your idea.
