

AIPD is managed by Cardno on behalf of the Australian Government

Australia Indonesia Partnership for Decentralisation Monitoring and Evaluation Officer

Position

Monitoring and Evaluation Officer

Duration

Full-time basis

Counterparts

Government of Indonesia, Ministry of Finance (MoF), Ministry of Home Affairs (MoHA), Indonesian National Development Planning Agency (BAPPENAS), provincial and local governments in five provinces

Location

M&E Officer will be based in Jakarta with occasional travel to AIPD work areas or other locations as needed.

Performance Management and Reporting Framework

Consistent with DFAT and Cardno policies

The **Australia Indonesia Partnership for Decentralisation (AIPD)** is a five-year program providing technical assistance and capacity building support to local governments and civil society to better manage public resources, leading to improved service delivery and reduced poverty. AIPD is funded by the Australian Government for the period of 2011–2015.

The M&E Officer is responsible for ensuring an effective M&E system is in place for AIPD's activities at Central Ministries, and assessing the effectiveness of AIPD's supports to DFAT (Department of Foreign Affairs and Trade of Australian Government) such as knowledge sharing supports like brown bag lunches or technical supports through Technical Support Facility team (TSF).

This position will be nationally engaged with competitive rate.

Key Requirements:

- > Master degree in social sciences with research component as part of the degree.
- > At least five years' experience with at least three years' experience in managing performance and /or working in M&E Field and an additional two years' experience working in development programs; particularly related to good governance, public financial management and policy development / advocacy.
- > Strong capacity in both quantitative and qualitative data management and reporting systems.

Preferable:

- > Good report writing skills.
- > Good interpersonal skills and commitment to working in a team.
- > Good understanding of Government of Indonesia systems, public finance management and its connection to service delivery.
- > Fluency in both verbal and written English.
